Suddenly, year's lowest prices coul... average $200 lowe... at Ford Dealers.

Galaxie 500 2-Dr. Hardto...

Ford will refund the excise tax to all buyers retroactive to Aug. 15 if Congress approves the President's proposal.

An excise tax refund will mean an *average* saving to buyers of about $200 . . . for some less, for some more, depending on which Ford you choose.

This tax refund, plus the year-end clearance savings you can now get on a '71 Ford, add up to the best deal you're ever likely to get.

Important: don't wait for next year's model – because you could lose a year's depreciation on your trade-in car. It's worth more right now on a '71 Ford.

Time's running out! The '71 Fords are out of production—stocks are dwindling—see your Ford Dealer right away for a '71—you'll save a bundle!

My whole world fell apart
Not being able to say good-bye
But the ones that loved you dearly
Will always bring regrets.
But the ones that loved you dearly
Are the ones who won't forget
Will always be missed by wife and children. 9-2-1p

IN MEMORY of our dear mother and grandmother, Mrs. Georgia D. Thomas, who passed away two years ago, Sept. 2.

We miss you in the morning,
When memories are new.
We miss you in the noontime,
And the things you use to do.
We miss you in the evening,
When shadows slowly fall,
But at night when prayers are lifted up,
We miss you most of all.
Sadly missed by children and grandchildren. 9-2-1p
